A relaxing holiday exploring the sights of
Guernsey and Jersey - never far from the sea

The Channel Islands

5th - 13th June 2019

INTRODUCTION

Sparkling seas, golden sands, rugged cliffs, picturesque harbours and beautiful countryside await the visitor to the enchanting islands of Guernsey and Jersey. The magical Channel Islands offer the best of Britain but with a taste of France.

Our plan is to take the fast ferry from Poole to St. Peter Port, Guernsey on Wednesday 5th June with inclusive upgrades to Ocean Club seats for added comfort. We spend the first four nights at the superb St. Pierre Park Hotel, a short drive from St. Peter Port. Three nights inclusive Dinner B&B and one night B&B so that you can choose to dine in the hotel or discover local restaurants.

One day will be a free day when you can choose to explore Guernsey independently or simply relax at the hotel and enjoy the extensive facilities available which include swimming pools and a golf course. Alternatively you may like to take a boat trip to one of the neighbouring islands - Herm, Sark or Alderney.

There are a host of attractions on Guernsey including the Chateau de Marais, Sausmarez Manor, the German Occupation Museum and La Valette Underground Museum. Our organised tours will take in some of these attractions.

On Sunday 9th we take the ferry again for the short hop across to Jersey. Here we stay for four nights at the wonderful L'Horizon Beach Hotel at St. Brelades Bay, one of the most beautiful bays on Jersey. Again three nights inclusive Dinner B & B with one night B & B to give you the freedom of dining where ever you please. A free day will also allow you to choose how to spend it; Island sightseeing or maybe shopping in St. Helier or simply relaxing at the hotel on its beachside terrace in the sun with a cool drink or taking a swim in the hotel pool. The choice will be yours.

Jersey offers an abundance of attractions including the German Underground Hospital, Mount Orgueil Castle, the Pallot Steam Museum, Samares Manor and much more. Our scenic tours around the island will take in some of these together with spectacular coastal views and inland valleys and pretty villages. With a mild climate the Channel Islands are only 14 miles from France so a strong French influence abounds in place names and atmosphere. You are assured of a relaxing and leisurely holiday with your classic or sports car rather than a serious far reaching touring event. Plenty of time will be allowed to enjoy a slower pace holiday, after all the overall speed limit is a mere 35mph so no one is going anywhere fast! Our final day, Thursday 13th allows for a relaxing morning before heading for the ferry terminal in St. Helier for the afternoon fast ferry back to Poole, again enjoying the inclusive Ocean Club upgraded seats.

Altogether a most attractive holiday exploring the delightful Channel Islands whilst staying in the most superb luxury hotels. I do hope you can join us and so look forward to receiving your early entry to secure your place.
